

Electrolux High-Spin “H” Models Soft-Mount 350 G-force Coin/Card Washers

Installs on wood floors, upper levels, and over basements!

Electrolux 350G soft-mount washers spin the fastest resulting in minimum drying time and significant gas savings. Self-service laundries benefit from faster throughput which translates to greater profits. Your customers can even receive a text message (option) notifying them when their wash is done and ready for unloading! You'll create customers for life with the quick turnaround time, easy to use controls, and exceptional results. Add a row of H-Series washers to your store to boost your profits and lower your operating costs.

Features and benefits:

- Ultra high-speed 350G extraction for most efficient drying.
- Unique text messaging functionality! *
 - Customers can call store and get a text message instantly telling them how many washers are available for use. Differentiate yourself from the competition!
 - Washer can send text message to store owner or serviceman for instant action.
- Extremely low water and energy consumption.
- Soft-mount for easy installation on on wood floors, upper floors, and over basements.
- Soft-grip, slip-lock door handle for safe and trouble-free operation.
- Door unlocks immediately at the end of wash cycle.
- Convenient 4-compartment supply dispenser.
- Stainless and galvanized steel in all vital parts for maximum rust protection.
- Interchangeable parts from one machine size to another.
- SuperBalance™ for correct extraction force regardless of load size or composition.

Compass Control:

Electrolux's revolutionary Compass Control puts you in charge of your business:

- Customize wash programs for lower costs.
- Five built-in programs and the capability to easily add or delete programs.
- Specialty programs easily created in Wash Program Manager.
- Display wash program information in two languages simultaneously.
- Value pricing. Set different prices for different wash programs, even at different times.
- Heavy Soil & Extra Rinse options increase store revenue and customer satisfaction.

Available in 18, 25, 30, 45, 60, and 75 lb. capacities. Blue/Grey wave front panel standard on 18 and 25 lb. models.

Electrolux models W475H and W4105H are Energy Star rated. They meet strict energy efficiency guidelines set by the EPA & US Department of Energy.

Our larger machines are also designed to save water and energy and achieve impressive Modified Energy Factor (MEF) results.

The future of professional laundry is here.

With more than 100 years of experience designing professional laundry equipment, Electrolux is dedicated to providing you with precision-engineered washers, dryers, and flatwork ironers. Products are certified in accordance with ISO 9001 and ISO 14001 standards, guaranteeing Electrolux Professional's long-term commitment to quality and the environment.

Take control of your laundry operations with Electrolux Professional Laundry.

Refer installation and servicing to qualified, licensed personnel. Always read installation and operating manuals and consult local codes before installation. Protect machines with properly rated, common-trip, circuit breakers ONLY. Warranty void if not properly installed. Solid-mount machines require a concrete foundation, and are not suitable for upper-floor or above-basement installations. Contact us for more information and for availability of machines for electric services not listed. Specifications subject to change without notice. Electrolux/Berlil assumes no responsibility for errors or omissions in this information.

* Text messaging optional - available Q1 2010. Machines are upgradable. Contact us for more information.

** Energy Star Rated

Superior Wash Cycle Control

With our Wash Program Manager software you can easily create custom wash programs on your PC.

Compass Control

With Compass Control you choose the programs that best suit your needs. Modify standard wash programs to find the perfect balance between low water and energy consumption — or create your own programs to meet the specific needs of your market. Multilingual with two languages displayed simultaneously. Easily program a higher price for hot washes, extra rinse and heavy soil. Program in discount prices for slow periods of the day or week.
